Why was your academic performance in your undergraduate studies unsatisfactory?

（掌上考研英语尖页）

His
Efficiency
Score

First of all, I must admit that my grades during my undergraduate study are unsatisfactory. The main reason is that when I entered the university, I failed to adjust myself to college-level studies as soon as possible, which caused me to fall behind others slightly at the starting point. However, after talking with my tutor and classmates, I started to adjust my situation gradually. On the one hand, I actively participated in various activities and competitions on and off campus, and honed my interpersonal skills and ability to resist pressure. On the other hand, I focused on my study, constantly expanding my theoretical knowledge, improving my learning ability and solving my academic doubts in time. All these efforts enabled me to get high scores in my later studies and successfully passed the postgraduate examination.

首先我必须承认，我本科期间的成绩确实不尽如人意。主要是入学时没有尽快调整学习状态，导致自己在起跑线上稍微落后于别人。然而在后来的学习中我采取了很多措施来弥补。一方面，我积极参加学校内外的各种活动和比赛，锻炼了自己的人际交往能力和抗压能力。另一方面，我将重心放到了学业上，不断扩展专业理论知识提高学习能力，及时解决学业中的疑惑。这些努力都让我在后期的学习中获得高分并成功通过研究生考试。

How would you evaluate your performance today?

High Efficiency
High Score

Well, first, I'd like to say thank you to every professor here today for your valuable questions. Basically, I think I have tried my best to prepare for this interview and spared no efforts to show my knowledge and views on each question. Since I cherish this chance very much and have therefore made great efforts in preparation for this interview, I am able to answer most of the questions clearly with confidence. However, due to the knowledge I have learned is still very elementary, I might fail to cover all the key points when answering some of the questions. This is exactly the reason why I am eager to pursue further study in your university in order to lay a more solid foundation in my major. Finally, thank you very much for offering me this precious opportunity to demonstrate myself. No matter how it turns out, I would keep on working hard and making progress, and I will persist in striving for the opportunity to be enrolled in this university. Thank you.

首先，我要感谢今天在座的每一位教授提出的宝贵问题。大体上，我认为我已经尽了最大努力准备这次面试，并不遗余力地展示我对每个问题的知识储备和观点。由于我非常珍惜这次机会，为解决可能出现的问题付出了很大的努力，因此我能清晰自信地回答大部分问题。然而，由于目前我所学习的专业知识还比较基础，在回答某些问题时有可能没有涵盖所有要点，这正是我渴望在贵校继续深造的原因，也为我的专业打下更坚实的专业基础。最后，非常感谢您给我这个展示自我的宝贵机会。不管结果如何，我都会继续努力，不断进步，我会不断努力争取被贵校录取的机会。谢谢。
