Thank you for your question. When I was in the junior year, I went to a primary school every Friday afternoon to teach English as a volunteer. However, the kids were so naughty that the class could not be continued.

## 1. situation 情景

Score Efficiency

In the first few times, I just told them to be quiet on class and listen to me, but words always failed to have any effects on their behaviors.

## 2. Task 任务

### 3. Action 行动

Then an idea came to me. I bought a mirror and put it in the front of the classroom. Whenever a student disrupted the class, he would see his bad behavior in the mirror. In that case, he would feel embarrassed and then followed the rules.

## 4. Result 结果

After using a mirror, children in my class are more obedient and pay more attention to the content of the class. I think this is one of my creative moments in solving problems.

感谢您的提问。大三时，每个星期五下午我都会去一所小学当英语志愿者老师。但是，孩子们太调皮了，以至于我无法继续上课。刚开始时，我只是告诉他们在课堂上要保持安静、听我讲课，但是这些话对他们的行为没有任何作用。然后我想到一个方法。我买了一面镜子，并把镜子放在教室的前面。每当学生想要扰乱课堂时，他都会在镜子里看到自己的不良行为。在这种情况下，他就会感到尴尬，进而遵守纪律。使用镜子后，我班上的孩子更加听话，更加关注课堂内容。我认为这是我创造性地解决问题的时刻之一。
